TECHNICAL SKILLS

Languages & Web: HTML, CSS, JavaScript, Python, Java

WORK EXPERIENCE

Web Developer Intern | InternPe

Remote Internship

- Developed responsive web applications using HTML, CSS, and JavaScript.
- Built functional projects including a Calculator, To-Do List app, and fully responsive websites.
- Enhanced front-end development, debugging, and problem-solving skills in a professional setting.
- Gained practical experience in remote collaboration, version control, and project-based learning.

PROJECTS

Smart Farming Assistant: Sell, Learn & Grow

An all-in-one AgriTech platform developed for Smart India Hackathon 2025 (Team: Coffee & Code). Features include a digital marketplace for farmers and buyers, weather-based crop advisory, soil quality analysis (pH, NPK, moisture), ML-based crop price prediction, an NLP AI chatbot for farmer support, and a multilingual learning hub with farming tutorials.

Tech: Python, Java,

Online Code Editor

Built a browser-based code editor website that allows users to write, edit, and preview HTML, CSS, and JavaScript code in real time — similar to tools like CodePen.

Tech: HTML, CSS, JavaScript

EXTRACURRICULAR ACTIVITIES & LEADERSHIP

Miss Evening — Fresher's Felicitation 2024

- Crowned Miss Evening at the college Fresher's event 2K24, recognizing personality, confidence, and stage presence.
- Voluntarily trained junior students in ramp-walk techniques and stage grooming, showcasing leadership and mentoring skills.

ACHIEVEMENTS & CERTIFICATIONS

- Smart India Hackathon 2025 Participant — Submitted innovative AgriTech solution under Agriculture, FoodTech & Rural Development theme.
- Completed Web Development Internship at InternPe — gained hands-on industry exposure in front-end development.
- Achieved CGPA of 8.56 after completing 2nd Year of B.Tech, demonstrating strong academic performance.
